

## Shomrei Torah Sisterhood WANTS YOU!

Dear STS Member,

Welcome to the family! If you are renewing your membership to STS or joining for the first time, you will recognize at once that you are part of a warm and caring community.

**For women, the next step to take is to join STS Sisterhood!**

Membership offers you so many options and so many choices. Most of all, Sisterhood connects you to a deeply committed group of women. These women are of all ages and backgrounds; many hold professional positions in the community, some are full time homemakers, while others are retired. What brings them all together is their love of Shomrei Torah Synagogue, Judaism, learning and their desire to support our synagogue.

Becoming a Sisterhood Member is SO EASY and it says so much! By completing the STS Sisterhood Membership Application, and submitting your check for \$36, you are making that statement.

Maybe this is the year you will attend one of the many interesting Sisterhood sponsored lectures, activities, dinners or programs? Whenever you have the time or the inclination to participate, we are holding your place! In the meantime, let me share with you, what your Sisterhood Membership will mean to our synagogue community and most of all, to you:

- Your Sisterhood raises funds throughout the year. A portion of those funds go directly to support STS, including an annual budget commitment, matching funds program, and contributions to virtually every synagogue project and fund raiser. In addition, Sisterhood provides funds for USY scholarships, gifts for ECE and Religious School graduates as well as for B'nai mitzvahs.

**There are no paid leaders or staff in your Sisterhood.** Everyone is a volunteer.

The women of Sisterhood create the annual New Year's Greeting book, manage the Sisterhood Judaica gift shop, cook, prepare and serve numerous Shabbat and Yom Tov Kiddush meals, create beautiful Oneg Shabbotim, plan and present educational programs, Women's Seders, Women's League Shabbat services and so much more.

In addition, Sisterhood supports Woman's League for Conservative Judaism; the parent organization that helps train and support Sisterhood leaders, provide classes and study material, to list just a few services.

Looking forward to working together!  
Jeannie Raffle, Sisterhood President
